

The Collapsed Ferret: More Than Insulinoma

Cathy Johnson-Delaney, DVM

Thank you for attending

This webinar is approved for 2 hours of continuing education credit by the American Association of Veterinary State Boards Registry of Continuing Education for veterinarians and veterinary technicians.

All attendees of the majority* of Dr. Johnson-Delaney's presentation will receive an email campaign this week that confirms your continuing education credit.

Subject Line: *CE Certificate – The Collapsed Ferret*

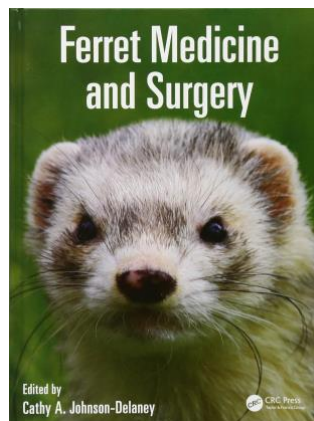

*An individual that only briefly enters the webinar room is not considered an attendee. These individuals are welcome to view the webinar recording and earn a non-interactive certificate. (See *Today's session is being recording* below).

Enter the Drawing and Provide Webinar Feedback

Please complete the brief [survey/evaluation form](#) at [surveymonkey.com/r/Collapsed-Ferret](https://www.surveymonkey.com/r/Collapsed-Ferret).

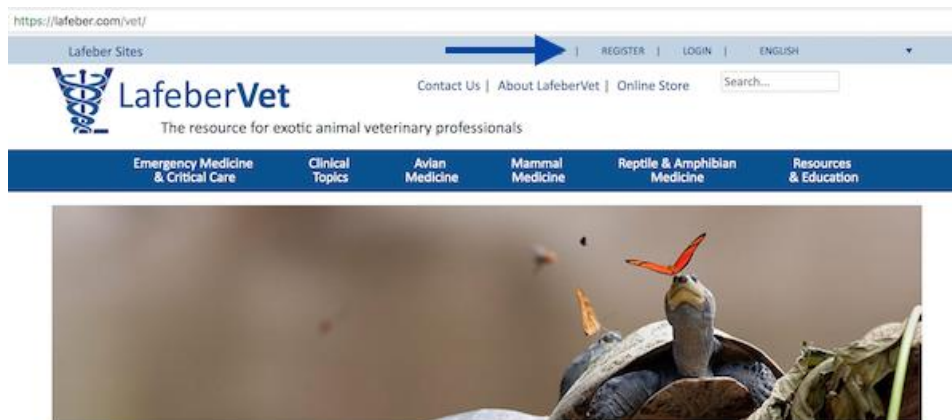

Share feedback, suggest future topics, and enter the free drawing for [Ferret Medicine & Surgery](#) by Cathy Johnson-Delaney.

Would you like to test your knowledge? (OPTIONAL)

Complete the brief quiz at <https://lafeber.com/vet/collapsed-ferret-quiz/>

LafeberVet utilizes an automated grading system. So you will need to [register](#) and [login](#) to LafeberVet for free to access the post-test. With a passing grade, you will be able to download a personalized, interactive continuing education certificate.

Notes on free registration to LafeberVet

- It will be necessary to verify your email address after registration. So, please look for an email verification message from LafeberVet via vetinfo@lafeber.com.
- If it has been some time since you have logged into LafeberVet and the system does not recognize your username, then the simplest way to proceed is to re-register. You are also welcome to contact us with any questions or concerns at vetinfo@lafeber.com.

Today's session is being recorded

A RACE-approved recording of today's presentation will be posted to [Dr. Johnson-Delaney's webinar page](#) on Tuesday, May 26.

Once the recording is available, the continuing education certificate will be updated to read "non-interactive distance".
